LET 'S SAVE FUEL FOR SAFE AND BETTER TOMORROW

CAR POOLING: A SUSTAINABLE OPTION

- Carpool to save money and conserve fuel
- Minimization of air pollutants (PM 2.5, PM 10, CO, NOX, SOX and Ozone)
- · Reduction in traffic load on roads
- Promoting cooperation and mutual harmony

MEASURES TO MAKE YOUR CAR / VEHICLE MORE FUEL EFFICIENT

- · Don't fill your petrol tank to full
- Keep your tyres inflated
- Keep your engine tuned and serviced
- · Use the correct engine oil
- · Choose the appropriate fuel, only use better fuel if your car is a performance vehicle
- Drive in a high gear
- · Slow down gradually
- Turn off your engine while waiting at a red signal at a traffic light
- · Visit market during non-peak hours

ENVIRONMENTAL CONCIOUSNESS THROUGH ACTIONS
