BROCHURE 2024-25

"Talent wins games, but teamwork and intelligence win championships."

- Michael Jordan

Welcome to the Placement and Internship Cell at Shivaji College, where we believe in nurturing talent and forging lasting connections between students and recruiters.

We extend our heartfelt appreciation to our esteemed recruiters for their trust in us to deliver outstanding candidates, and to our students for entrusting us to guide them towards rewarding opportunities.

Our mission is to continually enhance the application and recruitment process, ensuring it evolves seamlessly with every interaction.

Thank you for allowing us the privilege to engage with you.

ABOUT PLACEMENT AND INTERNSHIP CELL

The Placement and Internship Cell at Shivaji College plays a pivotal role in achieving the college's objectives by facilitating student recruitment and organising developmental activities. Beyond placements, the cell focuses on enhancing students' skills through internships and personality grooming initiatives, providing a platform for self-expression and professional growth. Collaborating with other institutions for placement drives, the cell strives to broaden students' horizons and maximise their opportunities. Regular workshops, seminars, and webinars offer valuable insights into the corporate world, ensuring students are well-prepared for their future careers.

VISION AND MISSION

The Placement and Internship Cell at Shivaji College aims to create an environment where students excel academically and thrive professionally. Our vision is to equip every student with the skills and opportunities essential for their career journey. Our mission is to connect them with top placement and internship opportunities while fostering holistic development through training programs and personalized guidance.

We take pride in equipping students with both academic credentials and practical skills to thrive in competitive job markets. By collaborating with leading companies, industry experts, and alumni, we open doors to diverse career paths. Our innovative initiatives in career counseling, skill development, and industry engagement prepare students for the evolving global economy. At our core, we are committed to nurturing future leaders who are not only skilled professionals but also socially responsible, fostering continuous learning and personal growth.

INITIATIVES BY THE CELL

WORKSHOPS AND WEBINARS

Our Placement and Internship Cell offers a comprehensive suite of workshops and webinars designed to equip students with essential skills for career advancement. From mastering the art of virtual interviews and group discussions, to crafting compelling resumes, our sessions cover a wide range of topics. We are committed to deliver continuous learning opportunities that empower our students to excel.

PEER TO PEER & ALUMNI SESSION

Our Peer-to-Peer and Alumni Sessions offer a platform for students to connect with successful peers and inspiring alumni. Through these interactive sessions, students gain invaluable insights, career guidance, and mentorship, empowering them to make informed decisions and achieve their full potential.

CV VETTING

Our dedicated CV Vetting initiative has empowered over 1000 students to craft compelling resumes. Through expert guidance and personalized feedback, we've helped students showcase their skills and experiences effectively, increasing their chances of securing coveted internships and jobs.

INTERNSHIP AND JOB FAIR

Our annual Internship and Job Fair 'Crescita' is your gateway to exciting career opportunities. With over 850 students and 95 renowned companies participating, we create a dynamic environment for both recruiters and students to explore, network, and match their preferred candidature. Supported by 30+ industry partners, we ensure a rewarding experience for all.

CRESCITA'24

The Annual Placement and Internship Fair

Crescita'24 , Shivaji College's annual internship and job fair, is a dynamic platform that empowers students to chart their career paths. The Placement and Internship Cell conducted the fair for 3 days on 30th April & 1st May 2024 via Online Mode and 2nd May 2024 via Offline Mode. This three-day extravaganza brings together a vibrant community of top-tier companies like Bajaj Finance, Dhanguard and ambitious students, fostering connections that lead to life-changing opportunities. Crescita'24 offers a diverse range of internships and job profiles.

Attendees can network with industry experts, gain valuable insights into career trends, and secure coveted placements. In the last round, the highest placement package offered was a remarkable ₹24 LPA, while the top internship stipend reached ₹20,000 per month. The drive comprised various rounds such as a Pre-Placement talks, Group Discussions, an Assessment Tests, and Personal Interviews. Our dedication to student success is clear in the careful planning and execution of Crescita, making it essential for aspiring professionals.

Placement & Internship Highlights

TESTIMONIALS

The odyssey spanning these three remarkably enriching years is one I shall forever cherish. Transitioning from the role of Placement Coordinator to that of Internship and Recruitment Head, and ultimately ascending to the position of President, has afforded me unparalleled opportunities for personal and professional development.

Throughout this journey, I've had the privilege of engaging with exceptional individuals, fostering meaningful connections, and spearheading impactful initiatives. Collaborating with my esteemed colleagues, we orchestrated Shivaji College's most significant Internship and Placement Fair to date, culminating in the attainment of the highest package in the institution's history.

Confident in the abilities of the forthcoming leadership cohort, I am assured that they will surpass our achievements, further enhancing the legacy of excellence we have endeavoured to establish.

~Arya Tiwari (President 2023-24)

As the Vice President of the Placement Cell at our college, I have had the incredible opportunity to work with a dedicated team to help our fellow students secure internships and job opportunities. Being a part of this role has been a truly rewarding experience, as I have been able to witness firsthand the positive impact our efforts have had on our peers' professional development.

One of the highlights of my time as Vice President has been organizing career fairs and networking events, where students were able to connect with industry professionals and gain valuable insights into their respective fields. These events have not only provided students with the opportunity to explore different career paths, but also to build valuable connections that could potentially lead to job offers.

~Akshat Chaudhary (Vice President 2023-24)

Serving as secretary of the Placement and Internship Cell has been an enriching journey. From starting as a first-year event management coordinator to stepping into a leadership role, I've learned to conquer fears, build confidence, and refine my professional skills. The experience has been fulfilling in every aspect, from tackling challenges and meeting deadlines to enjoying laughter-filled moments with the team. I'll cherish the memories of meetings, anchoring sessions, event preparations, late night calls and enjoying laughter-filled moments with the team. I'm proud of our collective achievements and wish the Placement and Internship Cell continued success in reaching new heights every year

~Muskan Gera (Secretary 2023-24)
