A. STUDENT FEEDBACK 2023-24

S. No.	Student Feedback	Action Taken Report
<b>Student Feedback regarding Faculty members</b>		
A1	Avoid cancellation of classes without any reason	Issue addressed. Principal of the college take regular rounds for smooth functioning of teaching learning process.
A2	Teacher are giving to much pressure	Teachers teaching in accordance with the syllabus
A3	Teachers should be more interactive	Using ICT tools and classes are held in bilingual language
A4	Doubt clearing classes .	Held from time to time
A5	Punctual timing of classes	The committee noted that the compliance of regularity and punctuality in classes is very high. This is reflected in the negligible number of comments from students regarding this. More efforts should be directed to achieve highest regularity of classes. The committee members noted that following

		classes in order to minimise the classes missed due to meetings.  The committee suggested that regular meetings shall be held with departments on achieving the target of hundred percent compliance of regular classes in future.
A31	Teachers are not cooperative to at all if you are in problem	Staff is generally cordial and cooperative. This shall be taken care of in future
A32	some teachers should also provide extra time to solve the doubts of Student who donot understand concept in class	Tutorial classes are mandatory for all faculty members as per the syllabi and curriculum of the university of Delhi. The same has been complied well in the current academic session
A33	The teachers should only teach practical of what's in the books and their applications, we are curious and smart enough to learn the theory ourselves we just need to know the need and motivation in the form of curiosity to study.	This has been well complied in this academic session as there were many field visits, industrial visits and internships organised by departments, committees and societies like SPADE, Udhmodya, DISHA and others.  Under NEP, the skill enhancement courses (SEC) and Value-added courses (VAC) are taught to students which focus on practical knowledge in addition to regular curriculum.

13

A42	The teachers need to work on their communication skills.	practical knowledge imparted and various ICT tools used
A43	Focus on developing the character and on external activities rather than only giving assignment	Various parameters of IA are taken as per the curriculum
A44	teachers should guide Student about the future goals and their career related things because as a undergraduate student we don't know anything what to do next, specially prog Student	The AAA committee decided to give directions to all departments that at least three mentor mentee meetings should be held in a semester by each mentor instead of existing recommendation of minimum two meetings.
A45	Teachers should know about each student of the class	Issue addressed
A46	Avoid cancelling classes and taking leave	The committee noted that the Principal had suggested in Staff Council meeting that the teachers were expected to inform about planned leave in advance except in case of emergency situations. The instances of sudden cancellation have decreased in the current semester.
A47	Teachers have to improve their teaching skills and corporate to Student	faculty constantly attend FDPs, Orientation programs etc to enhance their skills
A48	Teacher's should be more cooperative with physically disabled Student.	the staff is cordial and cooperative. this will be taken care of in future
A49	All subject teachers focus on weeked Student in class	tutorial and doubt classes are held

NAAC ACCREDITED "A" GRADE COLLEGE

A56	Promote extra curricular activities	held regularly
A57	All staff members good and having good teaching style	Appreciation
A58	I have noted that most of the teachers just teach to complete the syllabus but not to give knowledge about the topics that is a real blunder on their part. Moreover, some teachers do not really help in practicals in subject like physics where technology is everything, they are just like read it from book and then do it yourself but how can we know how to use those machines, it's not in book. And when we continuously ask them to guide us about practical then he/she gets irritated and says that you will get fail in exams then just leave. But still there are many teachers that are really helpful in this way, it's problem with only few teachers	This has been well complied in this academic session as there were many field visits, industrial visits and internships organised by departments, committees and societies like SPADE, Udhmodya, DISHA and others.
A59	Internal assessment should be weekly to judge a student's understanding rather than before last date of the classes	As per curriculum requirement
A60	Provide more knowledge and exploration in different course and sec , vac , Aec	Under NEP, the skill enhancement courses (SEC) and Value-added courses (VAC) are taught to students which focus on practical knowledge in addition to regular curriculum
<b>Student Feedback regarding mentoring, field trips etc.</b>

A61	Mentor mentee should be conducted once a month	The AAA committee decided to give directions to all departments that at least three mentor mentee meetings should be held in a semester by each mentor instead of existing recommendation of minimum two meetings.
A62	We should be allowed to attend workshop and skill enhancement events in University, Teacher's should be impartial in nature.	Issue addressed
A63	Mentor mentee meetings should be more regular and interactive for growth of Student	The AAA committee decided to give directions to all departments that at least three mentor mentee meetings should be held in a semester by each mentor instead of existing recommendation of minimum two meetings.
A64	Suddenly changing the teachers in between, every teacher has their own way of teaching. When they change, the balance of understanding gets worst.	Issue addressed
A65	Increase extracurricular activities	Several activities are held throughout the year
A66	And internal assessment exams should, be conducted only 1 month before exam otherwise conducting tests just from 2nd month of course is just disturbing our study schedules .tests should be after mid semester break only	Issue addressed by the IA committee .

A97	use Lcd projector and colorful markers in classroom	The ICT tools usage has been increased and the same has been observed in the academic audits conducted by AAA. Several class rooms have projector installed
A98	Interactive studies through modern projectors	The ICT tools usage has been increased and the same has been observed in the academic audits conducted by AAA. Several class rooms have projector installed
A99	Use the technology to improve teaching experience as well as automating the service required to Student, for example use ai to make schedule of the classes to decrease time loss of Student as well as teachers.	<p>The ICT tools usage has been increased and the same has been observed in the academic audits conducted by AAA. It was seen in the academic audits that departments have screened films and also recommended MOOCS and relevant you tube videos to students.</p> <p>In addition, on the recommendation of the AAA committee, the links of online e resources available on the Swayam Portal ( Govt of India ) and Virtual learning Environment (VLE) have been shared on the College website for the benefit of students. Faculty members also use and recommend e resources to students , as was found in the last academic audit conducted by the committee.</p>

A100	They should take class regularly with giving notes	The committee noted that the compliance of regularity and punctuality in classes is very high. This is reflected in the negligible number of comments from students regarding this. More efforts should be directed to achieve highest regularity of classes
A101	I observe that teachers mostly explain in Hindi. Which becomes a problem for Student who are not from Hindi speaking regions. And more over I feel that in today's globalised world English is a very important language and teachers should focus more on teaching in English.	bilingual teaching has been encouraged in classes and the same has been conveyed to teachers at multiple platforms and also during faculty induction program conducted the IQAC for new faculty members.
A102	strongly needs to increase practical equipments	Issue in the consideration of the college authorities
A103	Syllabus are not completed in some subjects	College has a mechanism of mid term progress regarding syllabus completion and evaluation.
A104	Syllabus are not completed in some subjects	College has a mechanism of mid term progress regarding syllabus completion and evaluation.

		of 5 existing projectors. The committee is in the process for granting the repair work. In view of the new projector purchases and repairs to existing projectors, the ICT facilities in the majority of classrooms will be ensured
A275	Computer labs are not in good condition, systems do not work properly and they don't have software installed in computers. Also a separate geography computer lab is required for the purpose of Remote Sensing and GIS with sufficient computers. And it will be good if new satellite images and aerial photographs are provided.	The computer lab is serviced under an annual maintenance contract. The ICT Support Committee has given order for the maintenance of the computer desktops. Additionally, repairs have been done on the existing computers, and they are now operational. The systems in Jijabai lab are of latest configuration. Furthermore, the procurement process for six new desktops to replace non-functional systems in the Mathematics lab has been initiated
A276	The projectors are usually not present in the class Or if present not in working conditions	The college is already in the process of purchasing 10 new projectors to assist in teaching learning process and ICT committee has already taken necessary steps for the repair of 5 existing projectors. The committee is in the process for granting the repair work. In view of the new projector purchases and repairs to existing projectors, the ICT facilities in the majority of classrooms will be ensured
A277	Mic facility in college and podium also.	Mic and podium are there in for use in auditorium for smooth conduct of events.
A278	Projectors do not work at all.	Issue addressed by the committee

A279	Projectors do not work at all.	Issue addressed by the committee
A280	Interactive studies through modern projectors	Issue addressed by the committee
A281	Computers don't work properly in labs like our we faced a lot of difficulty this sem. In it skills practical as computers were not working properly	The computer lab is serviced under an annual maintenance contract. The ICT Support Committee has given order for the maintenance of the computer desktops. Additionally, repairs have been done on the existing computers, and they are now operational. The systems in Jijabai lab are of latest configuration. Furthermore, the procurement process for six new desktops to replace non-functional systems in the Mathematics lab has been initiated
<b>Student Feedback regarding GE, SEC and VAC papers</b>		
A282	Please introduce new teachers in the botany department for SEC- Botany as there are only few teachers for SEC and those teachers are very demanding and exhausting. They humiliate you and do not co-operate in the time of need. Eg. My family member died and I missed on my test but was not allowed to give retest.	college authorities will look into that and teacher has been sensitised by FDP's and Orientations Programmes.
A283	Give a option to choosin sec paper subject by Student	Issues addressed by the committee
A284	Practicality of SEC courses should be there	Issues addressed by the committee

*Shivaji College*  
(University of Delhi)  
NAAC ACCREDITED "A" GRADE COLLEGE

		the students do not respond to the internship opportunities shared or they do not attend the selection process that is held.
A310	Refers to the activities that can enhance the chances of students to get better placement and internship opportunities	The cell has been working towards this. The workshop on advance excel applications is planned in the next semester. The cell plans to invite HR executive for CV vetting and for guidance on interview preparation.
A311	Refers to the feedback that college should take steps to ensure more number of internships for students	The point has been addressed by the college in the current session with the introduction of Principal Internship Scheme, where internship opportunity is provided to students of all streams by the college. The 'Summer Internship' has been successfully completed by 15 students and 'Academic Session Internship' is ongoing where 28 students have been given opportunity.
A312	More placement opportunities need to be increased.	The cell is working towards it, but the major focus this year will be on increasing the skills of students that are required for getting better placements
A313	College should promoting internship.	The placement and internship cell has focused on online and summer internship as the students cannot undertake full time internship with regular college. The internship opportunities that college receive are full time and hence cannot be allowed.

<b>Students Feedback regarding Timetable</b>		
A375	Fix a class for particular course	Shivaji College offers 20 different courses in Sciences, Humanities and Commerce. In UGCF-2022 curriculum under NEP-2020, a student has to study 7 papers (3 DSCs, 1 GE, 1 SEC, 1 VAC and 1 AEC) in each semester. DSC papers are discipline specific whereas GE (Generic Elective), SEC(Skill enhancement Course) , VAC(Value Addition Course) and AEC (Ability Enhancement Course) can be opted by students from multiple departments. Therefore it is not possible to allot a single classroom for all the subjects to the students of a particular course. Moreover, classrooms for these subjects are

*[Handwritten signature]*  
24/12/24.

शिवजी कॉलेज  
(दिल्ली विश्वविद्यालय)  
*Shivaji College*  
(University of Delhi)

NAAC ACCREDITED "A" GRADE COLLEGE

		allotted depending upon the strength of students in each of these papers. However, all the possible efforts are made to ensure that the classes of DSC papers are held in the same room.
A376	Schedule of every student must be monitored because I got 9am to 5pm class without a break of few minutes which is very hectic for anyone I didn't even eat food on those days.	In UGCF-2022 curriculum under NEP-2020, a student has to study 7 papers (3 DSCs, 1 GE, 1 SEC, 1 VAC and 1 AEC) in each semester. In many courses (specifically science courses), one or more DSC papers and GE papers have practical component along with theory . Moreover, many of the SEC (Skill enhancement Course) and VAC(Value Addition Course) papers also have practical components. AEC paper of Environmental Sciences also have practical component along with theory. Moreover, there is a provision of tutorial classes apart theory classes of each paper. To accommodate all the theory classes, practical classes and tutorial classes along with common papers (GE, SEC, VAC and AEC) opted by students of various departments, classes on a particular day in time table may extend upto 5:00 p.m. However, this may happen only on one or two days in a week and not all the days. Moreover, suitable breaks (wherever possible) are given between the classes so that students can have lunch and refresh themselves.

शिवजी कॉलेज  
(दिल्ली विश्वविद्यालय)  
*Shivaji College*  
(University of Delhi)  
NAAC ACCREDITED "A" GRADE COLLEGE

A377	Less classes on a day	This generally does not happen as in UGCF-2022 curriculum because a student has to study seven papers. So all the possible efforts are made to evenly spread the classes during the whole week.
A378	Proper time table are not followed. Class Gets dismissed and information Comes just half and hour before .This causes a great problem	There may be some emergency situation with the faculty member.
A379	Please find a better classroom where sitting capacity is according to the class size	Utmost care is taken to allot the classrooms according to the strength of the students in the class. In case, any issue is reported, the action is taken in prompt manner and the class is shifted to bigger room.
A380	There should be consecutive classes so, that be can get more time for extracurricular .	Suitable gaps are given in the time table so that students can take part in extra-curricular activities.
A381	Saturdays should be an off day or self learning day	Third year students are given Saturday as off day as the number of papers to be studied by them are six as compared to the first and second year students where the number of papers are seven. Only SEC classes and practicals of GE papers of first and second year students are held on Saturday (as students from multiple departments opt for these papers). Finding a common slot for these classes during Monday to Friday is very difficult due to the theory and practical classes of other papers.

<b>Student Feedback regarding Societies and Extracurricular activities</b>		
A397	Conduct more extracurricular activities and cultural events as they tend to build unity and sense of patriotism towards country.	As a general practice, Cultural committee of Shivaji College proposes an Annual Calendar in the beginning of the session and various activities are executed throughout as per the sanctioned approval.
A398	The cultural societies need to include more teachers guidance and involvement more as they are mostly driven by Student and there\'s no one to complaint about misbehaviour by seniors over juniors.	All societies of cultural committee and events has designated teacher coordinators for the guidance and involvement of students.

A399	Society engagement and classes often clashes which makes difficult to attend classes during society fest.	Committee events are always planned in such a manner that there are minimum disturbance(s) in the Academic calendar of the University.
A400	Improve society's events	Regular improvement in organising the society events are incorporated through feedback of participants.
A401	I want to tell about society what is it, what is the benefit of joining, why do I want to join, what Student want to join society, there are many Student(from Bihar etc.) who don't know about society ,There is so much more. Jisko jin jo chijo hai interest hai teachers protsahit kre to use na karne, naki sare student ko ye bole ki bas pdhai kre, kya pata koi dusre field me achha kar jaye	Orientation programme is regularly conducted to acquaint students about the cultural societies and other events.
<b>Student Feedback regarding Discipline</b>		
A402	Discipline during election\'s	Discipline committee and student advisory committee is entrusted with the work of maintaining law and order in the college, as shivaji college has adopted a policy of zero tolerance, as far as indiscipline is concern. Dusu and sucu elections are high point of the academic session as it involve training students to become a part of acute utizency.

B26	ICT facility in the classroom should easily accessible for the teachers. Requires routine Maintenance and observation of ICT facility.	The ICT committee is working on it.
<b>Faculty Feedback regarding the Library</b>		
B27	Add more books for hindi medium students.	Library books are updated every year with the help of department faculty
B28	More quality study materials in the form of books, journals, etc. both in Hindi and English should be made available to the students. The audio-video section needs to be developed further so as to improve the access of the students in general and the differently abled students in particular to standard study materials in both the mediums-Hindi and English. In this regard if some new equipment and infrastructure are required they should be taken care of.	The library committee is working on it.
B29	Quality materials should be available in Hindi and English medium both. Audio video library should be improved and required infrastructure also should be developed.	Library books are updated every year with the help of department faculty.
B30	E book facility in library	The library committee is working on it.

B31	Needs more good books for heigher studies.	Library books are updated every year with the help of department faculty
<b>Feedback regarding Placements and Internships</b>		
B32	Establish strong ties with industries to facilitate internships, workshops, and guest lectures by industry experts. Create avenues for students to apply theoretical knowledge in real-world scenarios.	The Cell is working towards it, but the major focus this year will be on increasing the skills of students that are required for getting better placements
<b>Feedback regarding Research</b>		
B33	Research and synergy with other academic institutions could be worked upon.	The college collaborates with other academic institutions through various programmes like Vidya vistar scheme. Shivaji College is officially now an Academic Partner of the Spoken Tutorial, IIT Bombay.
B34	Research softwares like spss can be introduced to improve research	The issue will be considered by the College Research Cell.
<b>Feedback regarding Discipline</b>		
B35	Inculcating more discipline may help in improving overall education.	The Discipline Committee of the college actively ensures the maintenance of discipline.

C4	Developing the infrastructure and providing transparency in these matters can foster the trust.	
C5	Beside studies and other cultural activities college have to provide skill in every departments, atleast students can withstand in public sector beside research and start preparing for other government examination	The cultural committee oversees various
C6	To build college alumni base, alumni meet should happen on weekends preferably sunday.	The alumni meets organised by the Alumni Relationship Cell of the college are held in the weekends.
C7	Infrastructure could be better	Issue in the consideration of the college authorities
C8	We can include more field base studies with applied value	
C9	Aluminious can contribute a lot in their relevant fields for the progress of students and college.	The College always promotes alumni interaction and contribution in the growth of the college. Alumni are invited as chief guests during various activities organised by various departments/committees of the college.
C10	My suggestion is to get placement in bachelor degree like dept. mathematics Hons, CS Hons. Everything else is fine here.... 8	This has been well complied in this academic session as there were many field visits, industrial visits and internships organised by departments, committees and societies like SPADE, Udhmodya, DISHA and others. Under NEP, the skill enhancement courses (SEC) and Value-added courses (VAC) are taught to students

	day. Also, their timely communication before today's process was also much appreciated. In every stage of the Internship Fair which is held this time, the support from your team was commendable. I would really like to thank Arjun, Gautam and Abhishek for the smooth internship process.	
D4	Great response and support.	Appreciated
D5	It was nice	Appreciated
D6	All well.	Appreciated
D7	Students must be encouraged to do more internships before appearing for placements. The placement cell must organise some workshops or mock interviews so that students get more experience about how to explain their profile better.	The students are encouraged by the Placement and Internship Cell to do internships. Recruiters for internships are invited during the PIC fest Crescita every years as well as throughout the year. Regular sessions and workshops are held regarding GDs, mock interviews etc.
D8	Your cooperation was good the poc managed really well	Appreciated
D9	Need more silence in placement hall.	The Cell will address the issue
D10	Make a formal document for taking down offers from recruiters.	The Cell will address the issue
D11	Students should check the company profile and read the JDs before appearing for interviews. They should check all the terms of employment beforehand rather than making faces when the company HRs are communicating the same to them. Students should be open	The Cell will address the issue
