#### 15.Multidisciplinary / interdisciplinary

Shivaji College is committed to foster an integrated and holistic learning experience for its students while upholding the importance of interdisciplinary education, a key focal point of National Education Policy 2020. The College aims to focus on inclusive and holistic development, academic excellence, research & innovation and infrastructure development. All the Discipline specific electives (DSEs) and Generic Electives (GEs) followed under the University of Delhi Undergraduate Curriculum Framework (UGCF) - 2020 are aligned to offer maximum flexibility and student autonomy. The various options of skill enhancement courses (SEC), Value Addition Courses (VACs), GE and DSE offer a great exposure to students to explore papers in a wide spectrum of disciplines to suit their interests and allows them to learn more across Humanities, Commerce and Science courses. The vision of the institute is to foster a supportive and inclusive campus environment for growth of students and societal development where diverse disciplines converge to address complex real-world problems. Several programs such as seminars, workshops are conducted regularly to promote entrepreneurship, innovative business ideas, leadership development and problem-solving abilities among students. To further the objective of transforming higher education with NEP 2020, the College undertook teaching learning reforms by increasing the number of add-on courses and encouraging programmes focusing on skill enhancement. The objective was to bridge the gap between academic and industry requirements, to introduce students to cognitive skills, technology and concepts that are relevant in the contemporary world and are useful inside as well as outside the classroom. This interdisciplinary approach aligns with the NEP's vision of preparing students for the demands of the 21st century, ensuring they are well-rounded, adaptable, and capable of contributing meaningfully to societal progress.

## 16.Academic bank of credits (ABC):

Academic Bank of Credit has been established on the line of National Academic Depository (NAD). All the students of Shivaji College are registered on ABC (Academic Bank of Credit) as per the directives/rules of the University of Delhi. Shivaji College is open to admit the students on the transfer of Academic Credits from different Universities of India as per UGC guidelines.

## 17.Skill development:

Skill development is crucial for bridging the gap between formal education and the evolving demands of the global job market. The NEP 2020 recognises the importance of developing both technical and soft skills to ensure students are equipped for success in today's rapidly changing professional environment. Shivaji College has taken many steps to help students in becoming more skilled and job ready as mentioned below: To further the objective of transforming higher education with NEP 2020, the IQAC undertook teaching learning reforms by increasing the number of add-on courses and encouraging programmes focusing on skill enhancement. Institute industry linkage was promoted by sending students for internships Self-defence training programs were organised by the College NSS Unit The Principal Internship Scheme (PIS) has been instituted by the College that offers 'Summer Internships' and 'Academic Session Internship' to students, facilitating hands-on experience in real-world environments. A Faculty Development Program was organised for the teaching faculty by the Department of Commerce. A Refresher Course was conducted for skill enhancement and internal upgradation of the laboratory staff members of the science departments. Workshop on Cardiovascular Disease and Basic Life Support (BLS) Training, was organized by Biochemistry Department, Shivaji College in Collaboration with Fortis Hospital, Shalimar Bagh New Delhi The integration of skill development into academic curricula through hands-on learning, vocational training, and industry collaborations prepares students for real-world challenges. The college organizes co-curricular and extra-curricular activities to impart holistic and value-based education

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The integration of Indian Knowledge Systems (IKS) into modern education is essential for fostering a holistic understanding of India's rich intellectual and cultural heritage. The NEP 2020 promotes the incorporation of indigenous knowledge into contemporary education, blending traditional wisdom with modern scientific and technological advancements. 'Shivraj 350', the year-long celebration of the 350th anniversary of Chhatrapati Shivaji Maharaj's coronation ceremony by the college. In this, all 18 departments and the Cultural Committee organized various events and activities throughout the year, showing comprehensive and organized involvement of all participants. The departments and societies proposed different events to create awareness about the legacy and contributions of Chhatrapati Shivaji among students. Shivaji Maharaj's life and reign demonstrate a deep connection with traditional Indian knowledge systems and these celebrations highlighted every aspect of his life, from administration and governance to his principles, wisdom, and policies, throughout the semesters. Under the NEP UGCF 2022, five departments have incorporated IKS in their course curriculum. The College, in collaboration with Shaikshik Foundation and the National Council for Promotion of Sindhi Language (NCPSL) organized a two-day International Conference on 'Resurgent Bharat on Global Canvas' where faculty members presented and published papers on IKS. The IQAC conducted seminars on IKS inviting experts from different fields. The Department of Geography conducted a field visit of students promoting experiential learning to a flood prone village of Haryana to learn about traditional methods that confer protection to the area. The College has a herbal garden Shivaji College has a lush green herbal garden in the premises that has approximately 62 different species of medicinal plants, providing a healthful ambience in the college and also helps in balancing the ecosystem of the surrounding area. The members of Garden Committee try to popularize the usefulness of commonly available and frequently used medicinal plants among the students and teachers and sensitize about our traditional knowledge. IKS emphasizes the importance of conserving and sustainably using herbal plants.

## 19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

Shivaji College, a constituent College of the University of Delhi, rigorously adheres to the university's wellstructured curriculum outlined by the University of Delhi Undergraduate Curriculum Framework (UGCF) aligned under the National Education Policy 2020. All the departments of the college follow the guidelines of the OBE mentioned in the syllabi and teachers fully implement it in their teaching. Students are made aware of the learning objectives and outcomes of each paper. These are made to shape the outlines of the teaching, learning and assessment process which is actively monitored by all faculty members. OBE encourages the development of skills such as critical thinking, problem-solving, and adaptability, which are essential for navigating today's complex world. It involves clear goal-setting, flexible teaching strategies, and continuous assessment to ensure alignment with predefined outcomes. The college website is regularly updated with all relevant information such as notifications, circulars and revisions that are provided by the University.

#### 20.Distance education/online education:

Shivaji College is the constituent College of University of Delhi and as per the University Ordinance it is a regular (day) college for UG and PG courses. In addition to this Shivaji College has the IGNOU (Distance Learning) Centre under which classes and examinations are conducted for various courses. The college appoints the coordinator and ministerial staff for said purpose and conducts the classes on weekends as per the IGNOU calendar. The coordinator of IGNOU centre (teacher of Shivaji College) organises the formal classes on weekends through time table; hires the teaching faculty from college and other institute of higher education as per the requirement and manages the finance & accounts. Shivaji College has also been conducts the examinations for SOL students as per the SOL Examination schedule which is a part of open / distance learning. The College has conducts seamless online mode of learning in any event of suspension of offline classes. Recorded lectures are also shared online with students which are valuable e-resources.

## Part B CURRICULAR ASPECTS 1.1 - Curricular Planning and Implementation 1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process Shivaji College implemented NEP-UGCF 2022 from the academic session 2022-23 as mandated by the University of Delhi. Prescribed curriculum is taught in a methodical and time-bound manner. Admission Prospectus and college website lists the course structure and syllabi. Orientation sessions are conducted for all courses, especially Skill Enhancement, Value Addition, and Generic Elective courses. Relevant Committees of the Staff Council approve workload and monitor the uploading of internal assessment (IA). The student-teacher ratio of lectures/practicals/tutorials is followed as per UGC quidelines. Beginning of the session, teachers are assigned papers followed by submission of teaching plans. All Departments prepare academic calendars. Teacher/class timetables are available on the college website, department notice-boards and outside the classrooms. Audiovisual materials, ICT tools, tutorials, practicals, and remedial classes facilitate classroom instruction. Presentations, projects, tests, assignments, and group discussions are employed for student assessment. Students can view IA on College ERP SPACE (Shivaji Platform for Academic Connect and Empowerment) portal. Academic Advisory and Audit Committee oversees teaching-learning, result analysis and documentation in each Department. Effective delivery of curriculum is ensured by the submission of teaching plans, individual timetable denoting Shours of presence everyday, and documenting atleast 90% classes (APAR) taken by all teachers. File Description Documents View File Upload relevant supporting document Link for Additional information Nil 1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE) Shivaji College adheres to the academic calendar of the University of Delhi for admission schedule, commencement/dispersal of classes, breaks, Internal Assessment (IA)/Continuous Assessment (CA) timelines, and semester-end theory/practical examinations. Each department supplements this with its academic calendar detailing a tentative plan for co-curricular activities. Admission prospectus and college website displays the academic calendars of respective departments In adherence to NEP-UGCF 2022, college prioritizes timely syllabus completion, revisions, IA/CA, and identification of advanced learners and non-performing students for implementing tailored measures within each semester. Timetables are prepared before the start of every academic session to maintain a structured approach. Continuous evaluation criteria are communicated during Orientation and reinforced in classrooms. Monthly attendance and final IA scores are uploaded on SPACE portal, which is accessible to students/parents. IA/CA scores are finalized after scrutiny by Moderation Committees of individual departments and IA Monitoring Committee of the college, and uploaded on the university portal as scheduled by the University of Delhi. To monitor adherence to academic calendar and overall excellence, Academic Advisory and Audit Committee reviews departmental activities, student and faculty performance and documentation of each department. The faculty also evaluate exam scripts in a time bound manner File Description Documents View File Upload relevant supporting document Nil Link for Additional information 1.1.3 - Teachers of the Institution participate in following activities related to curriculum development and assessment of the affiliating University and/are represented on the following academic bodies during the year. 2.2 - Catering to	o Student Divers	ity			
2.2.1 - The instit	tution assesses t	he learning levels of the students and organizes special Programmes for advan	ced learners	and slow learners	
Shivaji college follows effective mechanisms for recognizing inequalities among students' learning abilities. Engaging with students in theory classes, practicals, tutorials, and conducting mentor-mentee meetings on a regular basis enables teachers to recognize slow and advanced learners. Internal assessment of every student is consistently documented through tests, assignments and attendance. These mechanisms help teachers and college authorities in identifying slow and advanced learners.					
A) Steps taken for Advanced Learners:					
<ul> <li>Provided opportunities to work in Intramural Research projects for development of their research skill and problem-solving abilities.</li> <li>Position holders are awarded during the Annual Day.</li> <li>Provide positions in Departmental Student Councils to improve their leadership abilities.</li> <li>Motivated to participate in various academic programs and competitions for their academic enrichment.</li> <li>Encouraged to enhance their communication skills by helping slow learners to understand syllabus.</li> <li>Motivated to write articles for college/departmental magazines enriching their writing and analytical skills.</li> </ul>					
<ul> <li>B) Steps Taken for Slow Learners (Low Performers):</li> <li>Personalized guidance provided through mentor-mentee programs.</li> <li>Remedial Cell of the college organizes sessions to bring in academic improvement.</li> <li>Repeated opportunities given to perform better in class tests.</li> <li>Provided with study materials.</li> <li>Encouraged to participate in extracurricular and sports activities.</li> <li>Supported for peer-to-peer interaction to inculcate a collaborative approach.</li> </ul>

2.5. Evaluation Decome and Deferme		

## 2.5 - Evaluation Process and Reforms

Upload COs for all Programmes (exemplars

from Glossarv)

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Shivaji College is a constituent college of the University of Delhi and is guided by the regulations formulated at University level in all the matters pertaining to syllabi, examination and evaluation.

- Criteria for internal assessment are displayed on the college website and in the college prospectus. Students are informed regarding the same at the beginning.
- As per LOCF in third year the IA includes three components [Class Test (10 marks), Assignment (10 marks) and Attendance (5 marks)]. According to NEP-UGCF 2022 in the I and II year, the internal assessment is marked on the basis of the total credits (viz. 2 or 4) of the paper offered (annexure attached).
- Evaluated answer scripts are shown and discussed with students for improvement.
- Each department scheduled meetings to ensure that continuous evaluation was incorporated into teaching plans by taking regular class tests, assignments, presentations, etc. For DSC/DSE paper only one assignment, class test per semester but for papers like SEC & VAC, students need to submit monthly.
- IA marks are moderated by departmental committees and are uploaded on the college's ERP portal (SPACE) where students can see their marks and can report any discrepancies. Then, IA reports are printed and students go for signing these IA sheets and after that uploaded on the University portal.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution. The curriculum of each course is meticulously designed to align with the program outcomes of the respective academic programs. Throughout the designated academic session, the following metrics are employed to evaluate program and course outcomes: Direct Measures: The assessment process primarily consists of three components: Internal Assessment, Continuous Assessment, and Final Semester Examinations. Faculty members adopt diverse methods of evaluation, such as written examinations, assignments, presentations, practical, and viva-voce, in compliance with program regulations. Students make project reports, practical files and auxiliaries as one of the outcomes of the courses. To ensure alignment with university policies, question papers are set by external examiners. Following the final semester examinations, the university announces the results on time, which are subsequently analyzed in staff council and departmental meetings. The academic audit committee periodically reviews and evaluates performance. Expert lectures, conferences and add-on courses are organised to foster their co-curricular interests. Field visits are organised to inculcate the experiential learning During these discussions, faculty members provide feedback and propose recommendations for further improvements. Indirect Measures: Students engage in a variety of extracurricular and co-curricular activities. Faculty members closely monitor students' participation and performance to ensure the attainment of learning outcomes. The success of these outcomes is further validated by alumni achievements, students securing placements in various sectors, and those opting to pursue higher education. Shivaji College fosters a vibrant research culture through its College Research and Innovation Cell (CRIC). In the academic year 2023-2024, seven peer-reviewed intramural research projects were evaluated and completed under the financial support of CRIC across disciplines like Life Sciences, Chemistry, Physics, Mathematics, Geography, and Humanities. These projects offered undergraduate students (43) experiential learning, including field visits (24), participation and presentations in national conferences under the guidance of faculty. The initiatives resulted in research papers published in reputed peer-reviewed and indexed journals.

Eight faculty members secured three extramural projects funded by agencies such as the Indian Council of Medical Research (ICMR), the Central Council for Research in Unani Medicine (CCRUM), and the Indian National Science Academy (INSA), leading to high-impact publications in SCOPUS, PubMed, and Web of Science-indexed journals.

Shivaji College initiated an entrepreneurial ecosystem driven by Udmodhya (E-cell and ENACTUS), promoting innovative thinking. The knowledge is disseminated through faculty development programs, conferences, webinars, and workshops, empowering students and faculty to translate research into societal and entrepreneurial opportunities.

The college emphasized hands-on learning through summer training programs (106) and vermicomposting practices, equipping students with practical skills. These initiatives collectively enhanced academic and professional development, reinforcing the college's commitment to holistic education.

3.4 - Extension Activities		
3.4.1 - Extension activities are carried out in the neighborhood comm impact thereof during the year	unity, sensitizing students to social issues, for their holistic	development, and
In 2023-24, the extra-curricular societies (the National Service Scheme, the National Cadet Corps, and Enactus) and few departments conducted the following outreach activities:		
• Environmental Cleanliness Drives -		
`No Plastic Day', `Swachhta Pakhwada', `Ek Tareekh, `Swachhata Hi Seva Campaign'	Ek Ghanta Campaign', 'Parivar: Pratham Paths	hala', and
• Tree Plantation Drives -		

'Swachchata Hi Seva', and 'Prabhat Pheri'

• Health Awareness Programmes -

'Fit India Swachhata Freedom Run 4.0', 'Nukkad Natak Performance (on Drug Addiction)', 'Human Chain Against Lymphatic Filariasis Disease', 'Global Handwashing Day', and 'NGO Taare Zameen Par Visit'

• Food, Cloth and Stationery Item Donation Drives -

'Food Donation Campaign', 'Global Roti Day', 'Cloth/Jute Bag Distribution', 'Cloth Collection and Distribution Drive', and 'Donation Drive for Himachal Pradesh Schools through Sulabh International'

• Social interactions with marginal groups at NGOs -

'Field Visit to Mitr Trust', and 'Powher Trust' Field Visit

• Department Experiential Field Visits

Enactus Shivaji also participated in the Enactus National Exposition 8-9 July 2023 held at IIT Delhi, wherein it was the only contender that qualified for both the Early Stage competition (Top 5 with Project Tahaarat) and the Mature Stage competition (Top 19 with Project SaNa and Project Dritih). It also won the "Team Defining Innovation" award for Project Dritih.

INFRASTRUCTURE AND LEARNING RESOURCES	
4.1 - Physical Facilities	
4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computi etc.	ing equipment
INFRASTRUCTURE AND PHYSICAL FACILITIES FOR TEACHING LEARNING	

- Classrooms (49), Air conditioned Auditoriums (4) equipped with modern facilities such as projectors, Wi-Fi (410Mbps), LAN.
- 23 Laboratories which includes Science labs (16), Computer labs (6) and Geography lab (1) with the latest facilities and equipment.
- Two Museums in the department of Zoology and Botany.
- Jijabai Academic Block has auditoriums with Smart TVs, Multipurpose hall, Department rooms, Recording Studio, Viksit Bharat room, Equal Opportunity Cell Room, CEDM (Centre for Environment and Disaster Management) room and 4 Research Labs.
- College has separate NCC rooms for boys and girls.
- 364 Desktops, 1014 Laptops and 59 Projectors are available in the college.
- College has common staff rooms, meeting rooms and one committee room with an audio-visual facility.
- Departments have their own staff rooms (18) equipped with a desktop, printer and a departmental library.
- Photocopy and printing facilities are available near the entry gate and college library at subsidized rates.
  Three levels huge library with two AC reading halls (seating capacity: 60 each) for students' and one reading room for faculty.
- Learning resources for Divyangjan students such as Braille Books, CDs/DVDs, Audio Players (I-Pod), Angel software is available.

## 4.2 - Library as a Learning Resource

## 4.2.1 - Library is automated using Integrated Library Management System (ILMS)

Shivaji College Library is state-of-the-art, airconditioned, fully automated, and RFID-enabled. It has a vast collection of print and e-resources:

· KOHA ILMS for the automation of records.

· RFID machine facilitates:

o Digital Entry Register records students' footfall data.

o Self-check-in/check-out kiosk for self-issue and return of books, and inquiry of pending books and fine.

o Drop Box for self-returning of books.

o Security Gate for checking of non-issued items.

o Staff stations for issue and return of books, ID cards, and book tagging.

o Handheld Reader for searching of books and stock verification.

 $\cdot$  The library has two OPAC machines for searching books.

· RFID-enabled Library Membership Cards also work as College ID cards.

• All 82,846 books are RFID-tagged.

· Braille books and equipment like CDs, DVDs, Audio players, and LAX System to support Divyangjans.

• E-Resources: Access to 1,99,500+ e-books and 6,000+ e-journals through NLIST (INFLIBNET); 235581 e-books and 14377 e-journals through DELNET, and 6,00,000 e-books through National Digital Library.

· e-Shodhganga, and e-Shodhsindhu access through the Delhi University Library System.

 $\cdot$  Library also has a photostat facility, RFID-ID card printer and 31 desktops of which 19 are for students and faculty members.

· Turnitin software through DULS for plagiarism checking.

4.4.2 - There are established systems and procedures for maintaining and u complex, computers, classrooms etc.	tilizing physical, academic and supp	ort facilities - laboratory, library, sports
Established systems and procedures for maintaining and u	tilizing infrastructure	

- Properly instituted systems and procedures for maintenance and utilization of infrastructure exists. General Purchase Committee constituted by Staff Council makes all general purchase of college through GeM Portal.
- Maintenance of physical and academic infrastructure is done under the supervision of Development Committee. Repair and maintenance of all equipment is taken up by dealers through GeM and Stock register is maintained for the same. Physical verification of laboratories is done at the end of each session by Laboratory Physical Verification Committee.
- TIC of departments gives requirements to the Principal which is further directed to College Purchase committee with observations. Purchase Committee places the order through GeM as per defined procedure.
- Fire extinguishers and sand buckets are installed and safety protocols and maintenance instructions are displayed in all laboratories.
- Competing agencies are hired for AMC through GeM for upkeeping of housekeeping, security, horticulture services upon recommendations from Development, Environment and Sustainability committees respectively.
  AMC is done for maintenance of ACs, water purifiers, Computers and CCTVs, College Website, Library Software
- etc.
- Maintenance of sports ground is done through PPP model.
- Properly instituted channel and procedure through accounts section exists for payments to vendors etc.

#### 5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The Alumni Club of Shivaji College provides extensive support to students and offers a learning platform which facilitates better opportunities for growth and holistic development by enhancing students' skills set through several interactive sessions, activities and events. The registration process of 'Shivaji College Alumni Association' under Societies Registration Act of 1860 was initiated and application for the same was submitted at the office of District Magistrate on 14 May, 2024 and registration process was completed on 17 September, 2024.

The college established an Alumni Relations Cell (ARC) in 2019. ARC has a student council that works to strengthen the association with alumni and expand opportunities to draw support and inspiration from alumni. ARC organized a lecture series on 'Retrospect - Mapping the footprints' in which Mr. Raman Mehta, President of Uthan NGO and Mr. Rohit Chawla, Percussionist were invited.

As an annual practice college felicitated our distinguished alumnus Sh. D.K. Sharma, Retd. IG, Border Security Force at College's 63rd Annual Day on 5 April, 2024. Our distinguished alumnus Prof. Virender Bhardwaj from the Department of Hindi got appointed as the Principal of our college on 2 August, 2023. Shivaji College is actively committed to strengthening its ties with its alumni.

## GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Shivaji College strives to achieve its vision to holistically educate students to create model citizens of a resurgent Bharat through a model of participative governance. All stakeholders of the college contribute in a syncretic manner. The college adopts administrative policies and organizes curricular and co-curricular activities like 'Shivraj 350', Jijabai Awards, International conferences, and awareness programs with the aim to create a positive impact on governance and academics.

The college offers outcome-based activities. It promotes research through the College Research Cell and publication of books and magazines. Bilingual administrative functioning is promoted through the Rajbhasha Committee. The college promotes experiential learning through activities like field trips. The introduction of the NEP 2020-UGCF 2022 curricula with Value Addition Courses and Skill Enhancement Courses focuses on creating awareness about society, environment, and the self through the Indian Knowledge System. Add-on courses enhance the practical skills of the students making them efficient citizens of a Viksit Bharat.

#### Perspective Plan

The college is committed to enriching the lives of its stakeholders by fostering a supportive environment that promotes overall growth, personality development, academic and social advancement, and mental and emotional wellness by connecting them to the enriching Indian Knowledge System.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Decentralized governance and participative management showing effective leadership can be seen through the example of 'Shivraj 350', the year-long celebration of the 350th anniversary of Chhatrapati Shivaji Maharaj's coronation ceremony by the college. In this, the departments and the Cultural Committee organized various events and activities throughout the year, showing comprehensive and organized involvement of all participants. The departments and societies proposed different events to create awareness about the legacy and contributions of Chhatrapati Shivaji among students. The Principal of the college approved the proposals upon review and facilitated the departments, in his capacity as patron, to conduct the events. The Conveners of the involved societies and the Teachers-in-Charge held meetings with other faculty members, student councils, and the administrative staff to execute the events. Individual organizing teams were constituted for the management of technical assistance, reception of guests, stage management, photography, logistics, printing and distribution of certificates, preparation of reports, and documentation. The participative management is duly documented in the minutes of meetings and on the publicity material of events.

#### 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

To meet growing infrastructure needs, the College undertook the construction of the 'Jijabai Academic Block' following due process. The University of Delhi sanctioned a grant under the OBC expansion scheme. The SDMC sanctioned the construction of the new building on 15.7.2016. The College Building Committee initiated the construction of the new academic block with an area of 2022m2. They appointed architect M/S Avesna for OBC-related infrastructure development project. The building plan and preliminary estimates were prepared as per CPWD norms. The construction contract was assigned to M/S RITES Pvt. Ltd. on 13.2.2017, and to M/s Asian Construction

Company on 08.01.2018. The construction of the Ground + 3-storey building was completed on 30.06.2020 and the total cost of the project was approximately ₹ 25 cr. 12 classrooms, 3 auditoriums, 1 hall, 8 research labs, 2 computer labs, 1 finance lab, and undergraduate science labs with department rooms were constructed. Fire safety clearance was obtained on 7.6.2023. The Completion cum Occupancy Certificate was granted on February 15, 2024. The building was inaugurated by the Hon'ble Vice Chancellor Prof. Yogesh Singh on February 19, 2024. Classroom /lab-specific requirements were obtained by the Purchase Committee.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff		
are assessed across three key areas: Teaching, learning, and evaluation; personal development related to teaching and research; and administrative support, which includes participation in students' co-curricular and extra- curricular activities. Faculty must secure a minimum "Good" rating in their annual appraisals to qualify for promotion under the PBAS. A screening committee evaluates performance and recommends promotions within the Assistant Professor cadre. For promotions to Associate Professor and Professor, eligibility is assessed by a screening committee and finalized by a duly constituted selection committee. In the academic year 2023-2024, Shivaji College successfully promoted nine teaching faculty members across various stages. The non-teaching staff complete prescribed APAR forms annually and performance evaluations are certified by the Reviewing Officer. Promotions are based on performance appraisals, meeting the required conditions outlined in the appraisal proforma, and the availability of vacancies. Shivaji College's structured performance appraisal system ensures fairness, meritocracy, and alignment with institutional and regulatory standards.

<ul> <li>6.4 - Financial Management and Resource Mobilization</li> <li>6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words</li> </ul>		
The college has adopted a prudent approach towards financial resources to ensure transparency and efficiency. Internal and external financial audits are conducted in the College as per the extant guidelines, keeping in view the attainment of the highest standards of economic governance. The college sends a panel of at least three auditors to the Institute of Chartered Accountants for profile verification. Internal Auditor is appointed by the Chairman and Following selection, one of the names is forwarded to the University of Delhi for Internal Audit. As per Government of India guidelines, all financial transactions are carried out under the Public Financial Management System. External audits are conducted by Delhi Government auditors and the Comptroller and Auditor General of India. The signed financial audit report is presented to the college as all required documents have been provided to the auditor. Audit observations, if any, arising during the internal and external audits are placed by the governing body to decide on merit and evolve a mechanism to resolve the objections. All discrepancies are addressed according to General Financial Rules, and a follow-up mechanism and guidelines are formulated for future purposes.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Shivaji College employs a diverse funding model. 95% of the total maintenance grant is obtained from the UGC and 5% from the Delhi Government. The college augments its resources through student fees and facility leasing. Research grants are obtained from agencies like the Central Council for Research in Unani Medicine (CCRUM), and the Indian National Science Academy (INSA). Additional funds come from private donors and staff for student scholarships.

The college ensures optimal resource utilization through careful planning and implementation. Funds are utilized for staff salaries, administrative expenses, laboratory and library maintenance, student welfare, and intramural research. Funds are also allocated to various departments and societies for academic and extracurricular activities.

The departments and committees send their requirements to the Purchase Committee of the college. Procurement is done through the GeM portal by the Purchase Committee upon the Principal's authorization. Staff Council Committees and Teachers-in-Charge manage funds for their respective activities, adhering to the financial rules of the college.

The institution's commitment to efficient resource management and diverse funding sources positions it well for future growth and development in the competitive educational landscape. By maintaining financial transparency and adaptability, Shivaji College strives to meet evolving educational needs effectively.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

To further the objectives of NEP 2020 and maintain the best standards of higher education, the IQAC has institutionalized several quality assurance strategies and processes. One among these is the rigorous implementation of an outcome-based teaching-learning process. Another is a systematic review and redressal mechanism through feedback from various stakeholders.

1. The institution follows the NEP 2020 and UGCF 2022 curriculum. This includes a wide choice of courses for students such as Generic Elective, Discipline Specific Elective, Value Added Courses and Skill Enhancement Courses. The college has an ERP portal for student attendance, Internal Assessment, and Continuous Assessment. Mentor-mentee groups are formed and regular meetings are held where mentors guide students and address their concerns. The Academic Audit Committee conducts semester-wise audits of all departments. Seminars and conferences are organized for academic enrichment. The college actively participates in the NIRF rankings and was successful in ascending to the 49th rank from the 70th rank over just two years.

2. The IQAC implements a review and redressal mechanism that involves gathering feedback from students, parents and alumni. Feedback is analysed and appropriate measures are implemented for redressal. These are reflected in the compliance reports submitted by the concerned departments.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals			

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

To further the objective of transforming higher education with NEP 2020, the IQAC undertook teaching learning reforms by increasing the number of add-on courses and encouraging programmes focusing on skill enhancement.

The departments of Physics, Chemistry, Computer Science, Commerce and Economics offered short-duration add-on courses in online or off-line mode to students. The objective was to bridge the gap between academic and industry requirements, to introduce students to cognitive skills, technology and concepts that are relevant in the contemporary world and are useful inside as well as outside the classroom. While some courses offered a basic introduction to the discipline of study, others introduced nuanced concepts for students already familiar with the discipline.

Skill enhancement was promoted through several activities. All departments introduced Skill Enhancement Courses (SEC), from the pool of courses compiled by the University of Delhi. In addition, the societies Enactus and Ecell, under the banner Udhmodya, organized seminars, conclaves, interactive sessions with industry experts, and inter- and intra-college student activities throughout the year. The objective of these activities was to promote entrepreneurship, innovative business ideas, leadership development and problem-solving abilities among students. The students got the opportunity to connect directly with change-makers in the business world.

## 7.2 - Best Practices 7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual. The two best practices implemented by the institution are: I - Instilling values in Students through Historical and Cultural Heritage II - Practicing Sustainability through Waste Management in College Campus BEST PRACTICE - 1 Objective • Sensitizing students around Bharatiya cultural diversity, and rich historical past. Context • Shivraj 350, a thematic umbrella, motivated students to discover about their heritage. Practice Some highlights include: -• Rolling Trophy - Shivaji Bhonsle Parliamentary Debate. Deepotsav Shivaji Jayanti • Bhushan Granthalaya - special reading section in the library. Deccan to Delhi and Kutumb Prabodhan- books with contributions by students and faculty. • Departmental Events Evidence of success • Students learnt about the contribution of historical icons. Problems Encountered and Resources Required • Maintaining balance between academics and co-curricular activities BEST PRACTICE - II Objective • Handling waste material and reducing toxins in College Context • College aims at utilizing resources and converting waste (biodegradable etc.) into usable components. The Practice Highlights in college include:- Bio-Composting. • Vermi-Composting • Bio-Bins for making compost from canteen waste. • Sewer Treatment. 10 KLD ETP. • Paper Recycling. Evidence of Success • These units have generated awareness about sustainable waste management . Problems Encountered and Resources Required Cost effective management and sustainability of various plants File Description Documents Best practices in the https://www.shivajicollege.ac.in/files/NAAC-SSR/AQAR%202023-Institutional website 24/Criteria%207/7.2%20BEST%20PRACTICE%201.pdf https://www.shivajicollege.ac.in/files/NAAC-SSR/AQAR%202023-Any other relevant information 24/Criteria%207/7.2%20BEST%20PRACTICE%202.pdf 7.3 - Institutional Distinctiveness 7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words Integrating multiple energies- Making of a 'global' citizen Shivaji College strives to make its student a resilient, value-laden, fearless, confident individual, well meaning in every genre of life. In-keeping with the motto of Shivaji College - 'Amritam tu vidya'- the institution follows a student-centric vision, offering all advantages of interdisciplinarity to them. Catering to a varied group of students, some being first generation learners, means that the role of the college becomes

Interventions around the co-currricular and extra-curricular:-

pivotal. Apart from the curricular, are included:-

It combines co-curricular and extra-curricular activities, to enhance the skill-set of its students and give them avid exposure.

Consciousness towards environmental conservation and making of an active citizenry:-

Through field trips, the young adults are made aware of the responsibility they owe to their society.

Consciousness towards cultural diversity:-

The college trains its students to relish the rich cultural diversity of India, and is a training ground for many artists.

Consciousness towards inclusive growth:-

Developing social inclusion, the institution generates consciousness amongst students regarding the same.

Consciousness towards student progression:-

Shivaji College prepares students for their future endeavours, in a competitive, performance-oriented world.

The college believes in making its students an asset to humanity.
