## **A BRIEF REPORT OF THE EVENT**

### **Juniper 2024: The Annual Botanical Fest of the Shivaji College**

The botanical fest '*Juniper 2024*' was organized by '*Fragrance: The Botanical Society*' of Shivaji College, University of Delhi, on March 13, 2024, in the *Jijabai* Auditorium. The event educated and entertained participants through various activities fostering their co-curricular and extracurricular activities. The event commenced with a unique and engaging activity such as inter-college leaf-painting competition, where participants showcased their artistic skills by painting on plant leaves based on the central theme of '*Shivaji Maharaj: The Living Legacy*'. A total of at least 94 students benefitted from this event (see attached attendance sheet). The event was graced by our principal, Prof. Virender Bhardwaj and an eminent speaker, Prof. Rupam Kapoor from Department of Botany, University of Delhi. Principal addressed and inspired the students with his words of wisdom, highlighting the significance of Botany in today's world and about the great legacy of *Shivaji Maharaj* by articulating upon the life history, honoring the occasion of Shivaji Maharaj's 350<sup>th</sup> Coronation. Following the Principal's address, the invited speaker Prof. Rupam Kapoor, a renowned botanist, delivered an insightful lecture on '*Deciphering the physiological and molecular mechanism behind augmented secondary metabolite production by arbuscular mycorrhiza in medicinal plants.*' The lecture was followed by an engaging Q&A session where the audience had an opportunity to interact with Prof. Kapoor. Event also included a captivating performance through a skit presentation themed around '*Shiv Tantra: Shivaji Ek Rajnaitik Yoddha,*' depicting the life and achievements of the great Maratha king and warrior, *The Shivaji Maharaj*. Overall, the skit presentation, honoured the legacy of *Shivaji Maharaj* and enriched the experience of all involved in the play.

The fest showcased the rich cultural heritage of India through Sufi, *Pahadi*, and Bollywood dance performances. A Sufi dance performance was a mesmerizing display of devotion and artistry. The performers conveyed the spiritual essence of Sufism through their graceful movements and expressions, charming the audience and creating a serene ambience. *Pahari* dance on the '*Himalayan Odyssey: Phooldei*' was a tribute to the traditional festival *Phooldei* celebrated in the Kumaon region of Uttarakhand. The dancers depicted the joy and beauty of the festival, which marks the arrival of spring and the blooming of flowers. The performance was vibrant and energetic, evoking a sense of joy and celebration. All the participants were given certificates, and the winner of the leaf painting competition was awarded with cash prize. Ayesha Rahil Ahmed from MA English First Year, IGNOU; Khushi Negi from BSc Biochemistry, Shivaji College; and Aryan Sharma from BA programme, Shivaji College secured first, second and third position respectively. The annual botanical fest was a delightful blend of education, entertainment, and cultural enrichment. Through informative sessions, engaging activities, and captivating performances, the fest succeeded in educating about the importance of diverse aspects of plant-fungus interaction. Students were familiarized with recent development in the field of plant-fungus interactions which motivated students about exploring this domain for pursuing higher research. The botanical fest concluded with a vote of thanks extending the gratitude for the support and cooperation received. Figure 1 depicts few glimpses of the event.
