E-DEBATE COMPETITION GUIDELINES

TOPIC- VACCINES: SUCCESSES AND CHALLENGES

- No team participation. Only one person can participate.
- You can speak either FOR or AGAINST the topic.
- Each speaker will get four (3+1) minutes in total for debate and there will be 1 minute interjection from the participants.
- The debate shall be in English language only.
- Registration is mandatory to participate. To register, click on the link given below.

- All participants will be allocated slots, which they will use in place of username while logging into the Zoom Platform. Will turn on audio and video options only when they are directed.
- Participants will be evaluated on the basis of their contents, delivery of speech and defence. The judgment of the jury shall be final and binding on the team.
