NAAC ACCREDITED "A" GRADE COLLEGE

संदर्भ सं० / Ref. No.

दिनांक/Dated 27, June 2024

**Environment and Sustainability Policy of the Shivaji College,
University of Delhi**

Vision:

Shivaji College aims to foster a culture of environmental responsibility and sustainability among its students, staff, and faculty. The college is committed to adopting and promoting practices that contribute to environmental conservation and sustainable development.

Mission:

To establish Shivaji College as an eco-friendly, resource-efficient, and sustainable campus through community engagement, education, and implementation of green initiatives.

Policy Objectives:

1. Minimize the environmental footprint of the college's activities.
2. Promote sustainable practices within the college community.
3. Enhance awareness and participation in environmental conservation efforts.
4. Comply with all relevant environmental laws and regulations.

Expected Outcomes:

1. A cleaner, greener, and more sustainable campus.
2. Enhanced awareness and active participation of the college community in environmental conservation.
3. Significant reduction in waste generation and resource consumption.
4. Contribution to the larger goal of environmental sustainability in the local and global context.

Policy Review:

This policy will be reviewed time to time to assess progress and incorporate new sustainability challenges and opportunities.

Dr Ashwani Sharma, Convener
Environment & Sustainability Committee
Shivaji College (University of Delhi)

Professor Virender Bhardwaj
Principal
